Project Name	OrderOnTheGo : Your On-Demand Food Ordering Solution
Maximum Marks	4 Marks

Step-1: Team Gathering, Collaboration and Select the Problem Statement

1

Define your problem statement

PROBLEM

How might we provide a convenient, real-time food ordering platform that allows customers to browse menus and place orders online?

PROBLEM

How might we enable restaurants to manage their menus, orders, and customer interactions through a centralized, role-based platform?

PROBLEM

How might we ensure secure user authentication and protect sensitive customer data, including on inelastic online payment?

PROBLEM

How might we offer real-time order tracking and notifications to keep customers informed about the status of their delivery?

Step-2: Brainstorm, Idea Listing and Grouping

2

Brainstorm

Write down any ideas that come to mind that address your problem statement.

Real-Time Convenience	Restaurant Management	Secure Payments	Secure Payments	Order Tracking
- Browse menus instantly - One-click "Place Order" button	- Restaurant dashboard for order management - Role-based login (Admin / Customer / Restaurant) - Easy menu updates by restaurant owners	- Secure online payment gateway - Sensitive data encryption - JWT authentication middleware	- Automated order status updates - Customer receives order notifications - Track delivery rider's live location	- Automated order status updates - Customer receives order notifications - Customer feedback after delivery

3

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

⌚ 20 minutes

TIP

Add customizable tags to sticky notes to make it easier to find, browse, organize, and categorize important ideas as themes within your mural.

Step-3: Idea Prioritization

4

Step-4: Prioritize

Your team should all be on the same page about what's important moving forward. Place your idea you created in this grid to determine which ideas are important and which are feasible.

⌚ 20 minutes

TIP

Prioritize ideas so you can see which ideas your team should focusing on. Add tags to sticky notes to categorize ideas within the four quadrants to easily see key themes at a glance.
